Kick-off meeting
Rome, 18-19 March 2013

Maison des Sciences de l'Homme –Alpes (MSH-Alpes)
Université Pierre Mendès-France (UPMF)
PARTNER n°35

Murals of Alpine regions
[Program **PREALP**]

TABLE OF CONTENT

- **1. Corpus**

International Census of murals throughout the Alps
(digital images jpg)

- **2. Chronological framework chosen**

From 1200 à 1540 AD. JC. Diachronic approach between
Middle Ages and Modern Times

- **3. Geographical context considered**

Three countries : France, Italy, Switzerland. From Lemman
Lake to Mediterranean and from Savoy to Friuli

- **4. Iconography analyzed**

Paintings of religious and secular buildings and
associated corpus of inscriptions (images and text)

OBJECTIVES

This census is intended to meet three Cultural requirements

:

1. Submit a digitized corpus accessible *via Europeana*
2. Contribute to a historical study of Alpine territory
3. Build an institutional memory for the future : protection and promotion of an artistic production forgotten for a long time

Partner n°35 (France)
